

# Autumn Term in Class 2

## English

The children will have a variety of writing opportunities this Autumn term using our text, *The Dragon Machine*. They will describe their dragon and retell the story.

The children will also use the text, *The Day the Crayons Quit* to help them to write a letter.

We are reading...

The children will read daily in small groups to develop fluency and embed their phonics knowledge.

**Read Write Inc.**  
Phonics

## Maths

### Year One:

The children will learn about place value to 20 and will add and subtract numbers to 20.

### Year Two:

The children will learn about place value in two digit numbers and add and subtract two digit numbers.

## Art

The children will learn about the artist Vincent Van Gogh. The children will learn what the primary and secondary colours are. They will mix the primary colours to make the secondary colours and practise brush strokes.

The children will create their own day or night painting based on Vincent Van Gogh's.

## Science

This term children in Class 2, will be learning about 'Healthy Me' in Biology.

We will also be learning about different materials in Chemistry.

This will include labelling, sorting and classifying.

## History/Geography

### History: Transport

The children will learn about the changes in transport between now and when their grandparents went to school.

The children will learn the chronology of the event and how it fits with pre-learnt historical events.

### Geography:

The children will name, locate and identify characteristics of the four countries and capital cities in the United Kingdom and surrounding seas.

## RE

### Caring for the natural world:

The children will explore stories from religious and cultural traditions and find about the attitudes to the natural world.

### Valuing new life:

The children will engage with religious beliefs and ideas expressed through story, symbols and visual forms of expression.

## Music

The children will sing a variety of different songs and improvise a percussion accompaniment.

The children will begin to learn the glockenspiel.

The children will listen to music by different composers.

## PSHCE

The children will be learning why we have classroom rules.

Learning what makes a good friend and the importance of listening.

They will learn about their rights and responsibilities.

## Computing

The children will be exploring Purple Mash our computing platform and learning how to stay safe on line.

They will be learning about effective searching through the Browser and how to research questions.

## DT/PE

### Design and Technology:

The children will learn about wheels and axles and create a vehicle with free running wheels.

### Physical Education:

The children will be learning different core skills through multi-skills games.
