Subject Specific Vocabulary

Tone
This means the lightness or darkness of a colour but we usually think of it as all the different shades between black and white.

Single Hatching
Single lines.

Cross Hatching
An artist uses layers of line to create highlights and shadows in a drawing to achieve tone.

Texture
Refers to the way an object feels to the touch or looks as it may feel if it were touched. In drawing it refers to shading, and hatching.

Form
Three-dimensional and enclosed space. It has length, width and depth.

Coiling
Roll the clay until it forms a long roll. By placing one coil on top of another, different shapes are formed.

Slip
The suspension of clay in water.
