

# Spring Term in Class 2

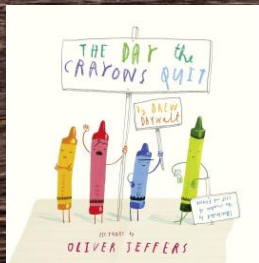

## English

The children will begin this Spring term writing a letter, using lots of persuasive language, based around the text, *The Day the Crayons Quit*.

We will then use the story, *The Owl Who Was Afraid of the Dark*, to write our own animal adventure story then create an information leaflet all about owls.

We are reading...

The children will read daily in small groups to develop fluency and embed their phonics knowledge.

**Read Write Inc.**  
Phonics

## Maths

### Year One:

The children will learn place value up to 50 and also study length, height, mass and volume.

### Year Two:

The children will learn to multiply and divide by 2, 5 and 10, also study length, height, mass and volume.

## Art

The children will learn about the artist Diana Beltran Herrera.

The children will learn about contemporary art, drawing and sculptures.

The children will learn to use card and make their own sculpture, concentrating on shape and texture.

## Science

This term children in Class 2, will be learning about new life in animals including humans.

The children will also learn about living things and their habitats.

## History/Geography

### History: Mary Seacole & Florence Nightingale

The children will learn about the lives of these two women and the significance of them.

They will learn the chronology of their lives and how these fits with pre-learnt historical events.

### Geography:

The children will learn about the 7 continents and 5 oceans.

## RE

We are learning about different ways people worship and participate in ceremonies.

We will also be discussing what it means to belong to a group.

## Music

The children will be listening to music composed by George Frederic Handel and The Beatles.

Through the song 'Grandma Rap' the children will learn to recognise duration, pitch, structure and tempo.

They will also learn to play some simple tunes on a Glockenspiel.

## PSHCE

The children will be learning about valuing differences in ourselves and others around us. We will also learn how we can aim to be and what it looks like to 'Be our best'.

## Computing

The children will be exploring Purple Mash our computing platform and learning how to stay safe on line.

They will be learning how to use technology to create an animated story, also using the program 2Sequence to compose a piece of music.

## DT/PE

Design and Technology: The children will learn about fruit and vegetables and make their own smoothie.

### Physical Education:

The children will be learning Gymnastics skills. They will also be learning correct pass techniques, foot work and space awareness when using a bat, wall and net.
