'Learn, Explore, Achieve'  
Weekly Newsletter  
19th of July 2024

Dear Families,

I cannot quite believe we have reached the end of the academic year 2023-2024. What an incredible year it has been! From celebrations, to educational visits, from performances to forest school and much more. We hope we have created memories to last a life time.

Many events have been made possible through the help of our dedicated Friends of Green Lea (FoGL). We really do need more members to join FoGL, whether it be to help at fairs or have a more formal role. We meet three times a year and our first meeting is on the 11th of September. Do get in touch if you or someone you know would like to join us, all are welcome.

I would like to take this opportunity to thank our Governing Board for all of their dedication and time that they give to Green Lea to make it the rural school of choice. Thank you!

To our children moving on to their next adventure, we know you will continue to 'Learn, Explore, Achieve and cannot wait to hear about your future successes.

Wishing you all a wonderful Summer of family time and memory making,

Mrs Lindsay Harris

Headteacher

This week at Green Lea:

Class 1 (Fantastic Foxes)

This week in Class 1, we have been enjoying the sunny weather with lots of water play. We've made water runs and bubble baths for our toys. We designed our own forest school session and created a bare foot walk which had mud, sand and water for us to step in - it was great! We're all looking forward to the summer and hopefully lots more nice weather.

Class 2 (Super Squirrels)

The Super Squirrels this week have loved identifying rhyming words and then creating their own animal poem. We have also continued to learn how to code on the iPads. We have programmed an object by creating a sequence of blocks; the event, object and action which enabled the object to move. We have also looked at how to debug when one of the blocks in the sequence is incorrect. Can I take this opportunity to thank you all for your support this year. Have a lovely Summer holiday and look forward to seeing you all again in September.

Class 3 (Super Seekers)

This week in Maths the Year 3 and Year 4 children have been learning the difference between volume and capacity. In English, the children have written a poem about a dragon having read the book, Tell me a Dragon. Their poem is called Ten things to do with a ... We have been working hard on our singing and speaking and listening skills ready for the graduation. I am so proud of every child for showing determination, enthusiasm and resilience. Well done class three!
