

Dear Families,

Happy New Year 2026! We hope you had a wonderful break. It has been lovely hearing about the children's adventures and family time. This week has not been without its challenges however, despite the adverse weather conditions our school community has shown remarkable resilience and flexibility. We are grateful for everyone's support, understanding and co-operation. The safety of our children, families and team is always of paramount importance.

We are excited for the term ahead and look forward to continuing to 'Learn, Explore, Achieve'.

As always, thank you for your continued support,

From, Lindsay Harris , Executive Headteacher & All of Team Green Lea

This week at Green Lea:

Class 1 We have started our story this week—The Gingerbread man. We really enjoy reading it saying 'Run, run as fast as you can, you can't catch me I'm the gingerbread man!' Next week we are going to bake our own gingerbread men. We are going to retell the story and write some words from the story too.

Class 2 Hope you have all had a lovely Christmas holiday. The Determined Deers have come back to school eager to Learn, Explore, Achieve. We are excited to start to read The Enormous Crocodile and then we are going to re-write the story in our own words. In Maths, the Year 1 pupils are exploring how the 'teen' numbers are made and Year 2 pupils are starting to learn multiplication. In Computing we have looked at where we see and use technology outside of school.

Class 3 This week The Fantastic Foxes have started to read and learn about Greek Myths. In Maths, the Year 3 pupils have looked at related calculations and the Year 4 pupils have been multiplying by 100. We have been learning about different symbols of worship, in religious education.
