

# Spring Term in Class 1

## English

### Nursery:

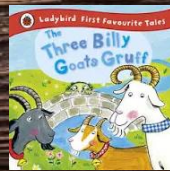

The children will experiment with mark making.

### Reception:

The children will learn to read new words.

They will be introduced to Set 2 sounds of the Read Write Inc phonic scheme and will practice blending and segmenting simple words.

We are reading...

The children will be reading traditional tales such as The Gingerbread man and The 3 Billy Goats Gruff, as well as non fiction books based on Winter and Chinese New Year. They will practise the reading skills of listening, attention, alliteration and sound discrimination.

## Maths

### Nursery:

The children will learn number linked nursery rhymes.

### Reception:

The children will learn to count and spot different numbers. Find one more and one less from a number.

## Physical Development

The children will be learning spatial awareness. They will be introduced to ball games and gymnastics skills.

The children will take part in 'Squiggle While You Wiggle' and 'Squiggle Me Into a Writer', daily. There will be daily fine motor activities.

## Expressive Art and Design

The children will explore colour mixing and painting of real life objects.

The children will be introduced to a range of media, tools and experiment with different techniques.

The children will listen to music and sing class and school songs.

The children will be introduced to percussion instruments and will investigate pitch tone. They will learn songs and enjoy listening to music.

## Understanding the World

The children will take part in Forest School each week

The children will look at the changes in the seasons and the weather.

The children will learn about festival and celebration of Chinese New Year. We'll learn songs, share stories and taste some Chinese food.

## Communication and Language

The children will be listening to and retelling stories.

They will learn how to sequence a story.

The will learn how to predict what might happen and talk about a new ending to a story.

## Seasons: Winter

## PSHCE

We will be learning about growing up and how we change. We will look at life cycles and what happens when we grow. We will look at what babies need to grow up and be healthy and how that changes as we grow.

## Personal, Social and Emotional

The children will learn how to use words to share their emotions.

We will talk about different feelings and when we might feel them.

We will use our worry monster to talk about worries if we need to.
