

Dear Families,

At Green Lea we are incredibly proud of our attendance and would like to thank everyone for helping us remain in the top percentile. Your continued support really makes a difference, please help us keep this up.

A huge thank you to Mr Brindley, who has been supporting the children in Class 3 these last few weeks. Good luck with your next chapter.

We are looking forward to welcoming you into school for our Maths Family Sessions next week and are very excited to see everyone's creative outfits for Number Day!

As always. thank you for your continued support,

From Lindsay Harris , Executive Headteacher & All of Team Green Lea

This week at Green Lea:

Class 1

This week in Class one we have be sharing a Percy Park Keeper book called One Snowy Night. We have enjoyed naming the different animals that visited Percy and seeing where they hid in his shed to keep warm. We have talked about the season of winter and enjoyed sharing our snow day experiences. We have also been thinking about birds in the winter and joined in with spotting different types of birds.

Class 2

The Determined Deers have loved continuing to write about The Enormous Crocodile. We have learnt what alliteration is and included it in our writing. In Maths, the year two's have learnt how to multiply and divide by 2 and 10 and the year one's have learnt how to add using their knowledge of number bonds. In Geography we have been studying the seasons and the different weathers we expect in each of these.

Class 3

This week in Maths the children have continued to practise their written multiplication skills. They have also been solving word problems.

In English, the children have finished writing their setting description about the labyrinth. I am so proud of them.

In Geography, the children have been using their atlas skills to find different countries in the world and different counties in England.
