

Dear Families,

Welcome back to a brand-new school year! We hope you all had a fun-filled summer holiday with your families. It has been brilliant welcoming the children back through the school gates this week. We have been incredibly impressed by how quickly the children have settled back into their school routines. It was lovely to hear one parent saying, "You'd have thought it was Christmas, my child was so excited this morning!"

We would also like to say a huge well done and a very warm welcome to all of our new starters and their families, including our youngest pupils beginning their school journey and those joining us in older year groups.

After such an amazing start, we can't wait for all of the exciting things planned for the year ahead.

Thank you for your support,
Mrs L Harris
Executive Headteacher

Benedict's Law

Following the introduction of Benedict's Law, Green Lea have implemented strict, consistent allergy safety measures.

We have a clear, whole-school policy for managing allergies and medical emergencies which can be viewed on our website.

All staff have been trained to recognise signs and respond according to the School Allergy Safety Procedure.

Emergency adrenaline auto-injectors are on the premises.

Individual health care plans and allergy plans are in place.

If your child has an allergy and we are not yet aware of this, please make sure you speak to either Mrs Compton or Mrs Barton as soon as possible.
